RECEIVED
CITY OF SAN ANTONIO
CITY CLERK

2003 APR 29 A 10:29

DECLARATION

This candidate is NOT accepting monetary campaign contributions for this election. Michael Idrogo will continue to campaign pursuant to the First Amendment.

I believe, and complain, the so-called "report" as unconstitutional; i.e., in apparent violation of the *First Amendment* "Freedom of Speech" and of "Right to Petition Government" and applied against the State and its subdivision (i.e. the City of San Antonio) *by and through the Fourteenth Amendment of the Constitution of the United States..* and against Any Other acting in concert with that corrupt local government in a charade i.e., "under color of law".. and enforced through Federal laws (for example, Title 42 USC 1983, 42 USC 1981, and Title 18 USC 242). Anyone acting by and through such, I complain, only make themselves legally liable (without immunity -- as the U.S. Supreme Court has ruled many times before).

It is self-evident that the ulterior motive for the so-called "report" is so that the local corrupt political machinery can figure out if they need to throw more cash "fuel into the fire". We have a city of a million being suppressed and run by a gang of a few. The political machine carries out backroom deals and then they ask us all to come like humble slaves and vote theirs into office!

Now is the time! To those who want to be rid and free of the local corrupt political machinery, I say, go about with your own "Freedom of Speech" expenditures and proceed with a "Freedom of Speech" in my campaign against the local corrupt political machinery; for The Purpose of Our Freedom.

The election is rigged; control of the election comes from the likes of someone who doesn't even live in San Antonio but lives in Olmos Park on one hand and on another hand, there is a former mayor who is just itching to get back into the mayor's office so much so that he is actively manipulating to try and remove term limits and the lifetime ban on the mayor's office. Who suffers? You do. Taxpayers. All the people of San Antonio suffer to the whims of a few! Tell them to retire and get out of the way! San Antonio is 20 years behind the times!. Unshackle yourselves vote Michael for Mayor!

And finally, as you have witnessed the recent corruption, including city councilors arrested by the F.B.I., I believe the people of San Antonio should vote out all of the incumbents!

NO CORRUPTION - Vote Michael for Mayor
